

TRAINING ANNOUNCEMENT

SCENARIO BASED TACTICAL OPERATIONS

September 27 - October 1, 2021

Annandale, MN

Co-Hosted By Annandale Police Department – ATTC

Course Overview

This course is intended for SWAT team members who have prior training and experience in the barricade, warrant service and hostage rescue disciplines. It is recommended that students have attended Basic SWAT or SWAT I, and SWAT II (or equivalent) prior to attending this class.

Officers attending the course will be evaluated on their prior experience and training and will be tasked with various tactical scenarios dealing with barricade, warrant service, and hostage rescue incidents.

This will be an intensive scenario only based course, which will have no formal instruction prior to each training scenario and will require students to perform utilizing their prior experience. Throughout the course, students will be provided feedback and critiques on their performance.

Scenarios will include environments conducive to actual real-time operations, to include low-light and night-time operations.

THIS COURSE WILL END AT 2400 HOURS ON THE LAST DAY OF CLASS. STUDENTS SHOULD PLAN ACCORDINGLY.
